Republican Observer October 28, 1954 Obituary "Obituary - Nolan Patten Tadder, second from the youngest of the family of six boys and six girls of Betsy Syres and Joel Tadder, was born June 3, 1875, at Syresville and closed his life's span of 79 years, 3 months and 15 days, Sept. 11, 1954, at his lifetime home which was purchased from the government by his father 98 years ago for \$6 an acre. It had been Nolie's hope that it would reach the century mark as a Tadder homestead and he was looking forward to that date. After his marriage to Ollie Watt in 1896 he made his home for one year near Buck Creek but came back to farm for his aged father and in 1915 purchased the farm. In 1912 the children were left motherless. In 1921 he was married to Mary Sugden Watts, who survives. The Syresville community has lost its oldest resident and one who could tell us much of the early history and stories of our community. In recent years his family and young folks have listened with interest to true history stories. He was a great favorite with our school children and they always counted on Nolie to help them. He took a keen interest in farming and even though in failing health for the past ten years he tried to do what he could on his farm and answered the final call while milking. During the years to come it is to be the privilege of his family and friends to recall a home where all were welcome at the many gatherings in the home. We will all miss his friendly call and willing help when needed. His violin music, accompanied by his wife, has entertained many times. Only one brother Jesse of Richland Center, remains of his immediate family. He is held in loving memory by his widow and four daughters, Mabel, Mrs. Ray Jeffries, Sparta; Louie, Mrs. Glen Shaw, Janesville; Zilpha, Mrs. Leo Anderson, Madison; Opal, Mrs. Ivan Anderson, Madison. Two infant sons and Roy aged 24, have preceded their father. Step-children, Merton Watts at Syresville, and Luretta, Mrs. Merl Wheaton, of Richland Center also survive, as do ten grandchildren, four preceded him, three in infancy, and Linford Anderson, gave his life for his country in Korea; nineteen great grandchildren and several nieces and nephews. He bid no one a last farewell, He said good bye to none, His loving heart had ceased to beat, Before we knew it, he was gone. He did not fail to do his best, His heart was true and tender, He worked hard for those he left, And ever will be remembered." On the afternoon an impromptu program of singing, music, readings and orations was given by members of the family consisting of three generations. This program proved the fact that there is some real good talent in the younger generation of the family, some of them have had the honor of broadcasting over the radio. All enjoyed the day as there were many that had not met for many years and all agreed that it was a day well spent and numerous were the thanks received by Mr. and Mrs. L. J. McBain from the guests for inviting them in for this reunion, this of course made Leslie and Ione feel mighty good to know that their efforts were appreciated. Many regrets were voiced by the older members of the family that this number would never be gathered in one assembly again. One who was there."
